Reflection

PSGA data asks meant pressure on Local Authorities over the last three years, but we delivered

Focus on:

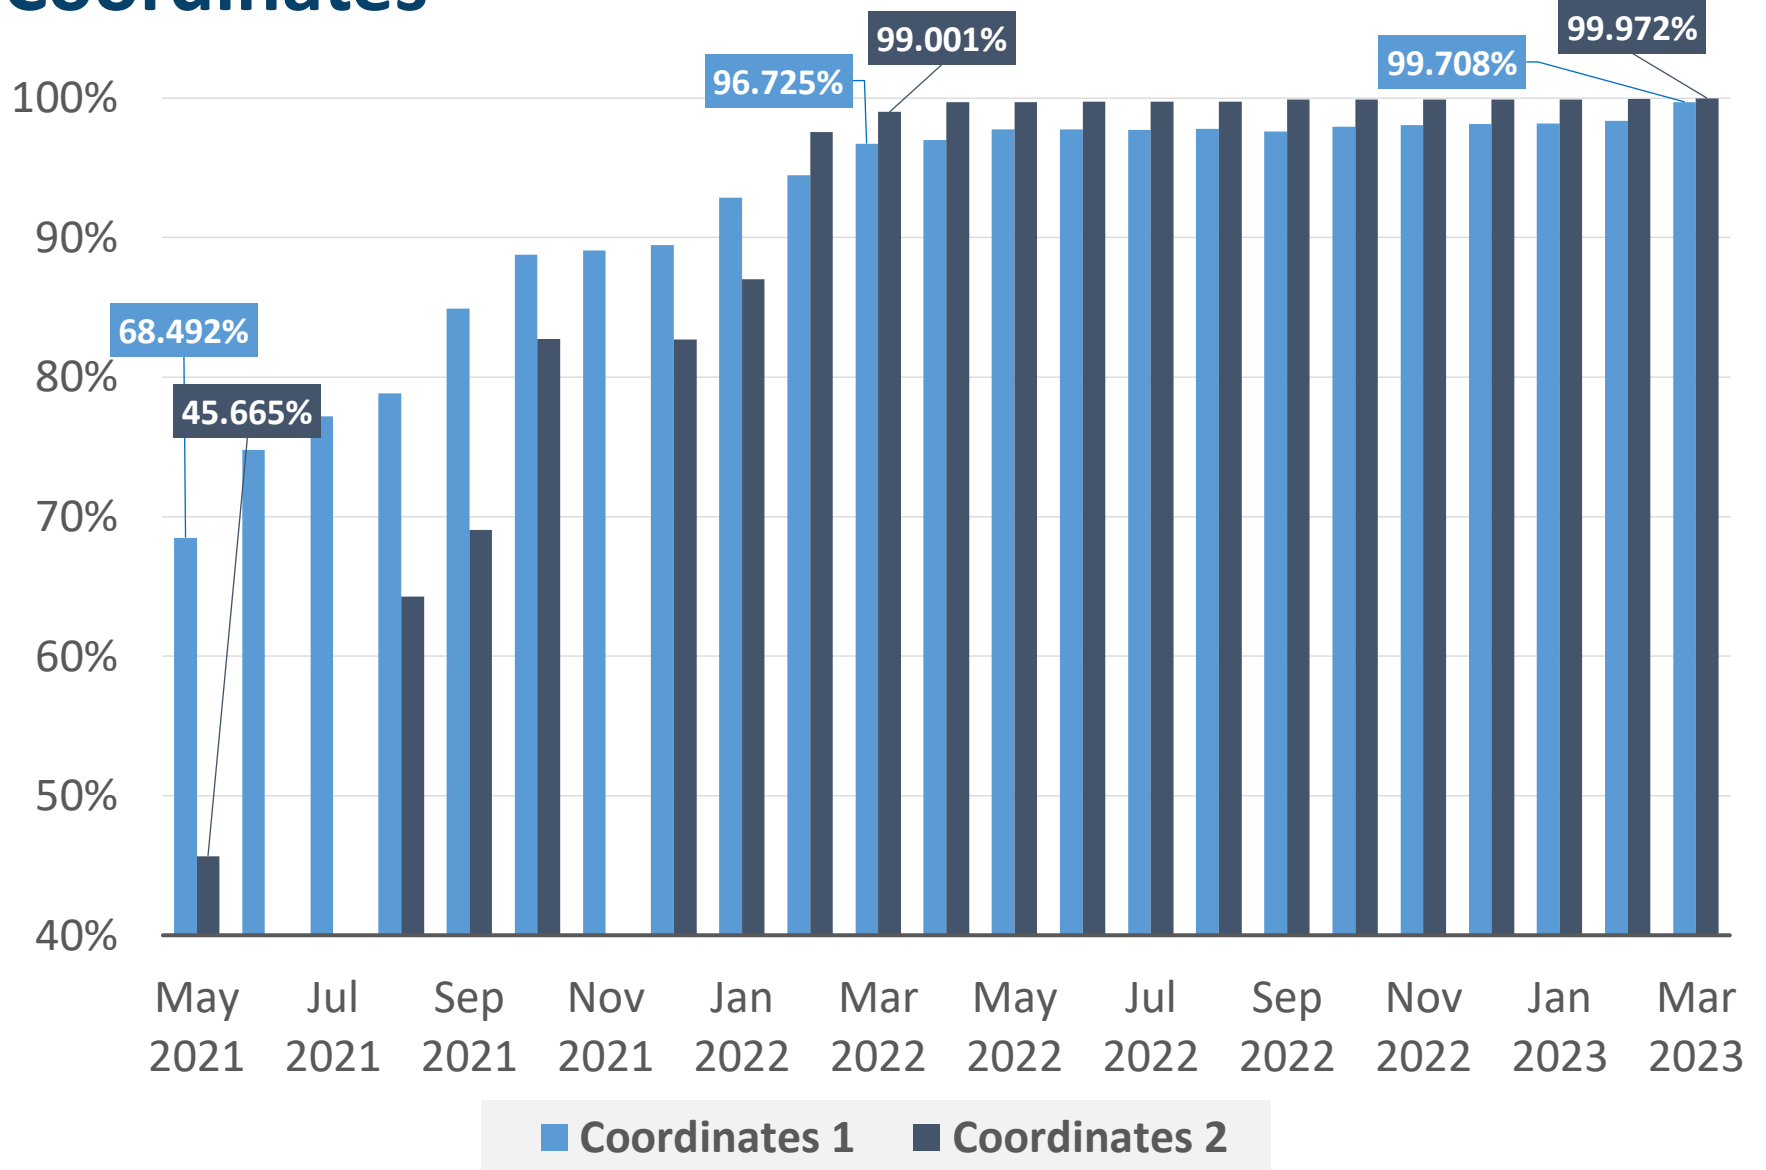

- Organisation Name consistency
- Coordinates 1 and 2
- Tertiary Residential classifications
- Lifecycle

Organisation Name consistency

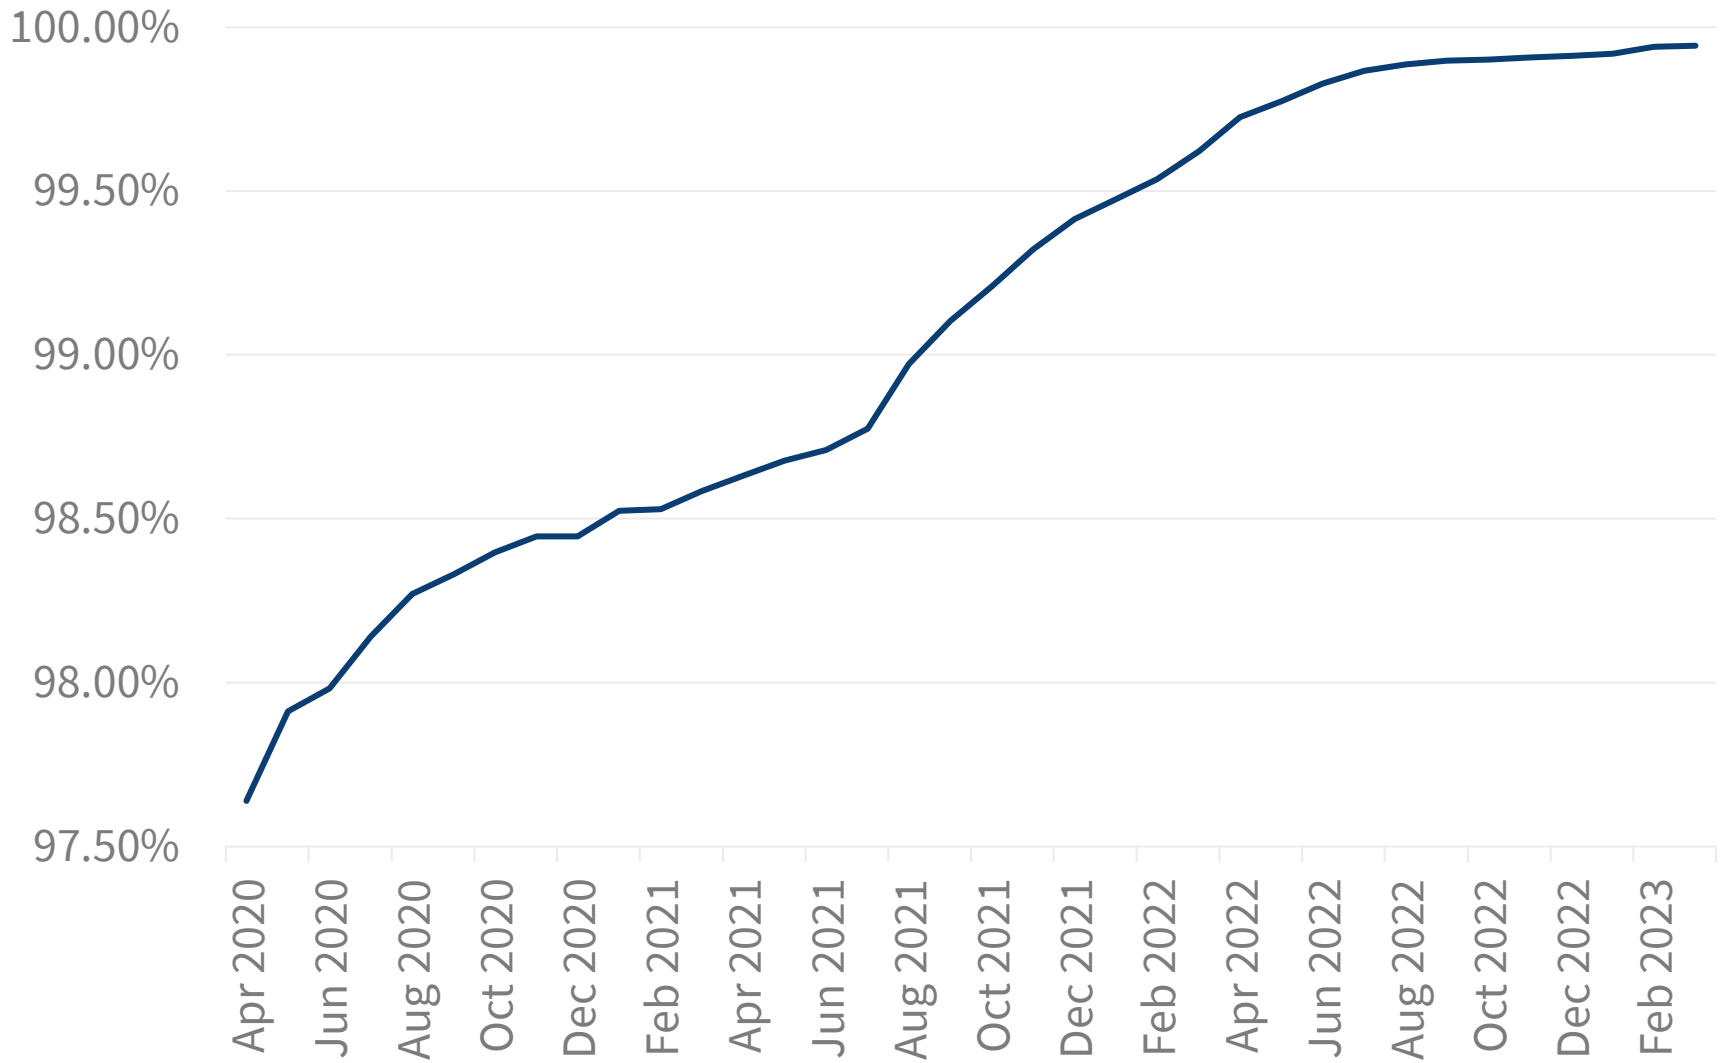

- Organisation Name differs from similar name in the master List of Organisation Names
- Classification does not match classification in master List of Organisation Names
- Organisation Name contains double spaces, mismatched brackets, punctuation
- Organisation Name only shows in PAO/SAO
- Organisation Name duplicated in PAO/SAO

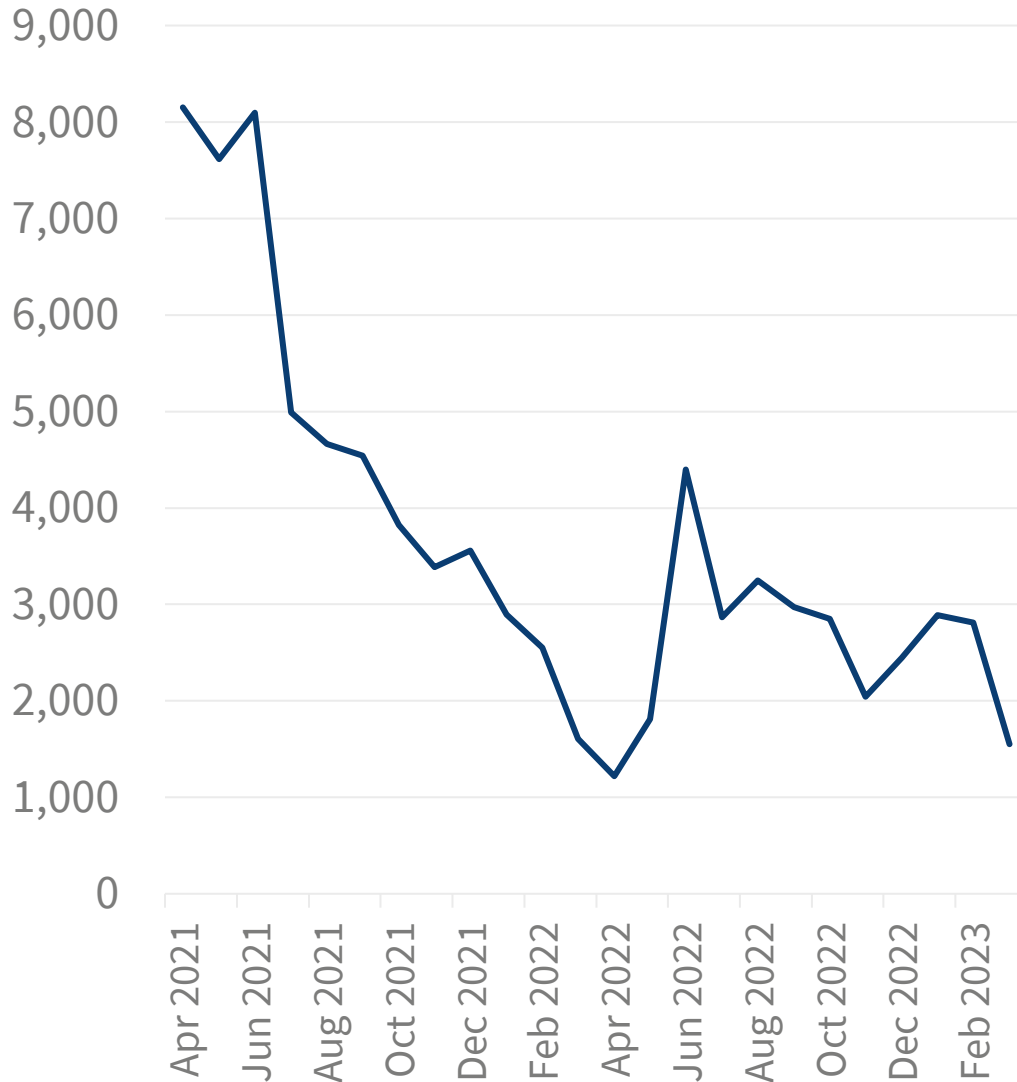

Coordinates

Tertiary Residential Classifications

Lifecycle

- Provisional BLPU linked to VOA and PAF for more than 6 months
- Under construction BLPU linked to live VOA and PAF for more than 6 months
- Linked to live VOA and PAF but historic for more than 6 months
- Provisional/Under Construction but in a MasterMap building polygon (with match for at least 6 months)

Authority Contacts Executive (ACE)

- Contract Management Team for the DCA
- Two Local Authority elected representatives
- Two GeoPlace representatives
- Regular monthly meetings
- Balancing the needs of external / internal users and
Creating Authorities/Custodians
- Business Plan in progress

Getting Involved

Sub groups:

- Improvement Schedule Working Group
- Data Entry Conventions Working Group
- Applications Testing Group
- Regional Chair/Deputy Group
- Future groups may be established

Thank you!
