What we are actually doing!

- **Steering Group set up**
- **Initial meetings with both Highway Authority & Utility sides**
- **6 Workstream Groups now set up and raring to go**
- **Review work starts later this month**
- **Focus on risk assessment – adapting the requirements of the code to meet the individual needs of a site**
- **New Code late 2024 early 2025**

And now its good afternoon from me.....

And its good afternoon from him.....
