It also has child records. These are, officially Flat A and Flat B, Two And A Half, Clifford Street. And two unofficial addresses too: ‘Flat’, Two And A Half and ‘Rear Flat’, Two And A Half which I am advised are different to Flat A and Flat B.

After hand delivering a letter to the property explaining the importance of the emergency services being able to find them and the importance of addressing I received the following reply.

Thank you for your letter we have always been known as the house with no name. So if possible that is what we would like to call it.

I agreed to this providing they erected a house sign, which they duly did.
