OS Mastermap Highways Network

Product usage is increasing

Important to note that ITN will cease to be available from 31st March 2019

Why are we here ? What are we doing?

“We choose to go to the moon in this decade and do the other things, not because they are easy, but because they are hard, because that goal will serve to organize and measure the best of our energies and skills..... and one which we intend to win” J.F Kennedy

Man on a mission

Why are we here, what are we doing?

The creation and maintenance of Street and Address information is essential in service delivery for both Public and Private Sector Services, and is essential to the Emergency Services.

What is our mission?

To enhance the lives of people and keep them as safe as possible.

Not a bad thing to have on your CV

THE END
