

Roundtable 27: Is FindMyStreet working for you?

Hazel Kamuriwo, Associate Product Manager, GeoPlace

The [FindMyStreet](#) roundtable was held to gather insights on the current value of FindMyStreet and identify areas for improvement. The session focused on how the service supports statutory duties and user workflows.

Participants praised FindMyStreet as an essential tool for helping authorities meet their obligations under Section 36(6) of the Highways Act. *“FMS is brilliant for Section 36(6) . It saves time in responding to enquiries and fulfils our statutory duty”*. The discussion also highlighted that [recent updates](#) to FindMyStreet have been positively received. In particular, the addition of the Classifications to List of Streets and the new Postcode Search feature were noted as especially helpful in locating and identifying streets more efficiently.

Participants also shared valuable suggestions for further enhancing the FindMyStreet’s functionality and user experience. All feedback from this session has been greatly appreciated and will be carefully considered as we continue to develop and improve FindMyStreet.
